TEXAS COMMISSION ON ENVIRONMENTAL QUALITY

Protecting Texas by Reducing and Preventing Pollution

September 24, 2019

Mr. Virgilio Cocianni
Cameron International, Inc.
4601 Westway Park Blvd.
Houston, Texas 77041

Re: Former Cameron Iron Works Facility Site, located at 1000 Silber Road, Houston, Harris County, TX; Voluntary Cleanup Program (VCP) No. 221; Regulated Entity No. RN101474880, Customer No. CN600405872

Dear Mr. Cocianni:

The Texas Commission on Environmental Quality (TCEQ) has reviewed the September 6, 2019 report entitled "2019 Semi-annual Monitoring Data Transmittal", prepared on your behalf by CH2M Hill Engineers, Inc. After careful review, the report fulfills the reporting requirements and the TCEQ accepts the noted submittal.

Seven boundary monitoring wells were sampled to assess for plume stability. Samples were collected for volatile organic compounds as noted in the previously submitted Response Action Plan. Sampling results are consistent with historical concentrations at the selected locations. Based on current data, no new notifications to property owners were warranted at this time. Surface water results indicated that no chemicals of concern exceeded their respective critical protective concentration levels. The next sampling event is scheduled for December of 2019.

Future submittals should be mailed to the TCEQ, Voluntary Cleanup Program, mail code MC-221, at the letterhead address. Please provide one paper copy and one electronic copy (on USB or disc) of all submittals. Note that the electronic and hard copies should be identical, complete copies. A Correspondence ID Form (TCEQ Form 20428) must accompany each document submitted to the Remediation Division and should be affixed to the front of your submittal. The Correspondence ID Form helps ensure that your documents are identified correctly and are routed to the applicable program for a timely response. You may contact me with any questions at (512) 239-2205.

Sincerely,

A handwritten signature in blue ink that reads "Rodney Bryant".

Rodney Bryant, Project Manager
VCP-CA Section
Remediation Division

RB/jdm
